**Financial Policy & Insurance**

We are committed to providing you with the best possible care. If you have dental/medical insurance, we are happy to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment protocol.

**Payment for treatment is due at the time services are rendered**, unless payment arrangements have been approved in advance by our financial coordinator. We accept cash, checks, Visa, MasterCard, Discover, HSA/FSA cards and CareCredit. As a patient, you are fully responsible for all fees for services rendered. As a courtesy we file your insurance claims for you and accept payments directly from your insurance carrier in order to help you simplify the insurance process. If your insurance does not pay any portion of your bill you will be billed accordingly and are fully responsible for any outstanding balance. If you have secondary insurance we will be happy to bill them for you as well. **We offer a 5% discount on any amounts over \$500, when paying by cash or check only, at the time of service.**

**When using your dental/medical insurance benefits, please understand that:**

1. Your insurance is a contract between you, your employer and the insurance company.
2. Some insurance policies restrict payment for some services. They use restricted fee schedules (called "UCR") and exclude some procedures based on prior conditions or length of time on the plan. All restrictions are based on the premium paid for the insurance, *NOT* our fees or recommended treatment. Some insurance companies arbitrarily select certain services they will not cover.

**As dental care providers, we must emphasize that our relationship is with you, not your insurance company.** While the filing of insurance claims is a courtesy that we extend to all our patients, all charges are your responsibility from the date the services are rendered. We realize that temporary financial problems may affect timely payment of your account. If such problems do arise, we encourage you to contact us promptly for assistance in the management of your account.

**Returned checks are subject to a \$30 charge and balances older than 30 days may be subject to interest charges of 1.5% per month or 18% per annum.**

**We require 48 business hours' notice for cancelations or rescheduling. Appointments canceled or rescheduled without 48 business hours' notice, and missed appointments may incur up to a \$100 fee.**

You will be given a printed treatment plan any time treatment is recommended, and we will gladly discuss your proposed treatment and answer any questions relating to your insurance benefits, before treatment is rendered. If you have any questions about the above information or any uncertainty regarding your insurance coverage, please don't hesitate to ask us. We are here to help.

**I understand that Westlake Family Dentistry will make every effort to give accurate insurance benefit estimates for my treatment, however, I am responsible for any portion not covered by my insurance company after claims have processed, as well as my estimated portion due at the time of service.**

**I understand that I am responsible for payment in full, at the time of treatment, if dental insurance is not applicable to my situation, unless other arrangements have been made in advance.**

**I have read, understand and agree to abide by the above financial policy.**
